I.1.2 By signing the Agreement, the beneficiaries accept the grant and agree to implement the Project, acting on their own responsibility.

I.1.3 [NA to select and complete in case of Strategic Partnerships involving HEI beneficiaries]

The [HEI] beneficiaries will comply with [the Erasmus Charter for Higher Education].

ARTICLE I.2 – ENTRY INTO FORCE AND IMPLEMENTATION PERIOD OF THE AGREEMENT

I.2.1 The Agreement enters into force on the date on which the last party signs it.

I.2.2 The Project runs for [...] **months** starting on [insert date: ...] and finishing on [insert date: ...].

ARTICLE I.3 – MAXIMUM AMOUNT AND FORM OF THE GRANT

I.3.1 The **maximum amount of the grant is EUR [...]**

I.3.2 The grant takes **the form** of unit contributions and reimbursement of eligible costs actually incurred, in accordance with the following provisions:

- (a) eligible costs as specified in Annex III;
- (b) estimated budget as specified in Annex II;
- (c) financial rules as specified in Annex III.

I.3.3 Budget transfers without amendment

Without prejudice to Article II.13, and provided that the Project is implemented as described in Annex II, beneficiaries are allowed to adjust the estimated budget set out in Annex II, by transfers between the different budget categories, without this adjustment being considered as an amendment of the Agreement within the meaning of Article II.13 provided that the following rules are respected:

- (a) The beneficiaries are allowed to transfer up to 20% of the funds allocated for each of the following budget categories: Project management and implementation, Transnational Project Meetings, Intellectual Outputs, Multiplier Events, Learning/teaching/training activities and Exceptional costs to any other budget category with the exception of the budget categories Project management and implementation and Exceptional costs.

- (c) The beneficiaries are allowed to transfer funds allocated for any budget category to the budget category Special needs support, even if no funds are allocated for Special needs support as specified in Annex II. In such case the maximum increase of 20% of the budget category Special needs support does not apply.
- (d) By derogation to point (a) of the present Article, the beneficiaries are allowed to transfer funds allocated for any budget category except Special needs support to the budget category Exceptional costs in order to contribute to the costs of a financial guarantee in so far as required by the NA in Article I.4.2 and even if no funds are allocated for Exceptional costs as specified in Annex II. In such case the maximum increase of 20% of the budget category Exceptional costs does not apply.

ARTICLE I.4 – REPORTING AND PAYMENT ARRANGEMENTS

The following reporting and payment provisions² apply:

I.4.1 Payments to be made

The NA must make the following payments to the coordinator:

- a first pre-financing payment;
- further pre-financing payment(s), on the basis of the request for further pre-financing payment referred to in Article I.4.3;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article I.4.4.

² Normal payment schedule for grant agreements of **maximum two years included**: normally one pre-financing payment of 80% and a balance payment of 20%; in the case of Key Action 1 in Higher Education, the balance payment will be normally replaced by a further pre-financing based on an interim report. However, in case of lack of sufficient payment appropriations, the NA may:

a) reduce the first pre-financing to a percentage between 60 and 80% and apply a balance payment of 40-20% of the maximum grant amount, or

b) split the first pre-financing into two payments without interim report, whereby the total of both payments amounts to 80% of the maximum grant amount, and a balance payment of 20% of the maximum grant amount. Normal payment schedule for grant agreements of **more than two years**: one pre-financing of 40% upon signature of the agreement, one further pre-financing of 40% based on an interim report and a balance payment of 20% of the maximum grant amount.

I.4.2 First pre-financing payment

The aim of the pre-financing is to provide the beneficiaries with a float. The pre-financing remains the property of the NA until the payment of the balance.

Option 1: *for projects of maximum 2 years and in case of a single first pre-financing payment:*

The NA must pay to the coordinator within 30 days following the entry into force of the Agreement [or, if applicable: following the receipt of a financial guarantee of EUR [...] ³] a first pre-financing payment of EUR [...] corresponding to 80% of the maximum grant amount specified in Article I.3.1.

Option 2: *for projects of more than 2 years:*

The NA must pay to the coordinator within 30 days following the entry into force of the Agreement [or, if applicable: following the receipt of a financial guarantee of EUR [...] ⁴] a first pre-financing payment of EUR [...] corresponding to 40% of the maximum grant amount specified in Article I.3.1.

Option 3: *NA to include a special clause in case pre-financing is split in several installments based on the financial capacity of the coordinator:*

I.4.3 Interim reports and further pre-financing payments

For KA2 – Strategic partnerships of more than two years only option 1 applies except if precautionary measures are applied to the Agreement.]

For Strategic Partnerships of less than two years, only option 2 applies except if precautionary measures are applied to the Agreement]

Option 1: *NA to select if a further pre-financing payment is foreseen (applicable to KA2 Strategic Partnerships of more than two years):*

By [NA to insert date]^[2], the coordinator must complete a progress report on the implementation of the Project, covering the reporting period from the beginning of the implementation of the Project specified in Article I.2.2 to [date to be specified by NA].

³ [the amount equal to the pre-financing to be paid].

⁴ [the amount equal to the pre-financing to be paid].

^[2] [the beneficiary has to be given reasonable period of time in order to complete the interim report after the reporting period ends]

By [NA to insert date] or once at least 70% of the first pre-financing payment has been used to cover costs of the Project, the coordinator must complete an interim report on the implementation of the Project, covering the reporting period from [NA to insert date of the interim report] to [date to be specified by NA].

In so far as the interim report demonstrates that the coordinator has used at least 70% of the amount of first pre-financing payment, the interim report must be considered as a request for a further pre-financing payment and must specify the amount requested up to EUR [...] corresponding to 40% of the total maximum amount specified in Article I.3.1.

Where the interim report shows that less than 70% of the first pre-financing payment paid has been used to cover costs of the Project, [NA to select and complete as appropriate:

the coordinator must submit a further interim report once at least 70 % of the amount of first pre-financing payment has been used, which must be considered as a request for a further pre-financing payment and must specify the amount requested EUR [...] corresponding to 40% of the maximum amount specified in Article I.3.1.].

Without prejudice to Articles II.24.1 and II.24.2 and following approval of the report by the NA, the NA must pay to the coordinator the further pre-financing payment within 60.

I.4.4 Final report and request for payment of the balance

Within 60 days after the end date of the Project specified in Article I.2.2, the coordinator must complete a final report on the implementation of the Project, and, when applicable, upload all project results in the Erasmus+ Project Results Platform as specified in article I.9.2. The report must contain the information needed to justify the contribution requested on the basis of unit contributions where the grant takes the form of the reimbursement of unit contribution or the eligible costs actually incurred in accordance with Annex III.

The final report is considered as the coordinator's request for payment of the balance of the grant.

The coordinator must certify that the information provided in the request for payment of the balance is full, reliable and true. It must also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated

by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27.

I.4.5 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs incurred by the beneficiaries for the implementation of the project.

The NA determines the amount due as the balance by deducting the total amount of pre-financing already made from the final amount of the grant determined in accordance with Article II.25.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the NA must pay the balance within **60** calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The amount to be paid may, however, be offset, without the beneficiary's consent, against any other amount owed by the beneficiary to the NA, up to the maximum contribution indicated for that beneficiary, in the estimated budget in Annex II.

Where a check or audit is initiated after payment of the balance, the information referred to in the previous subparagraph must be provided by the beneficiary concerned.
